Pediatric pharmacology

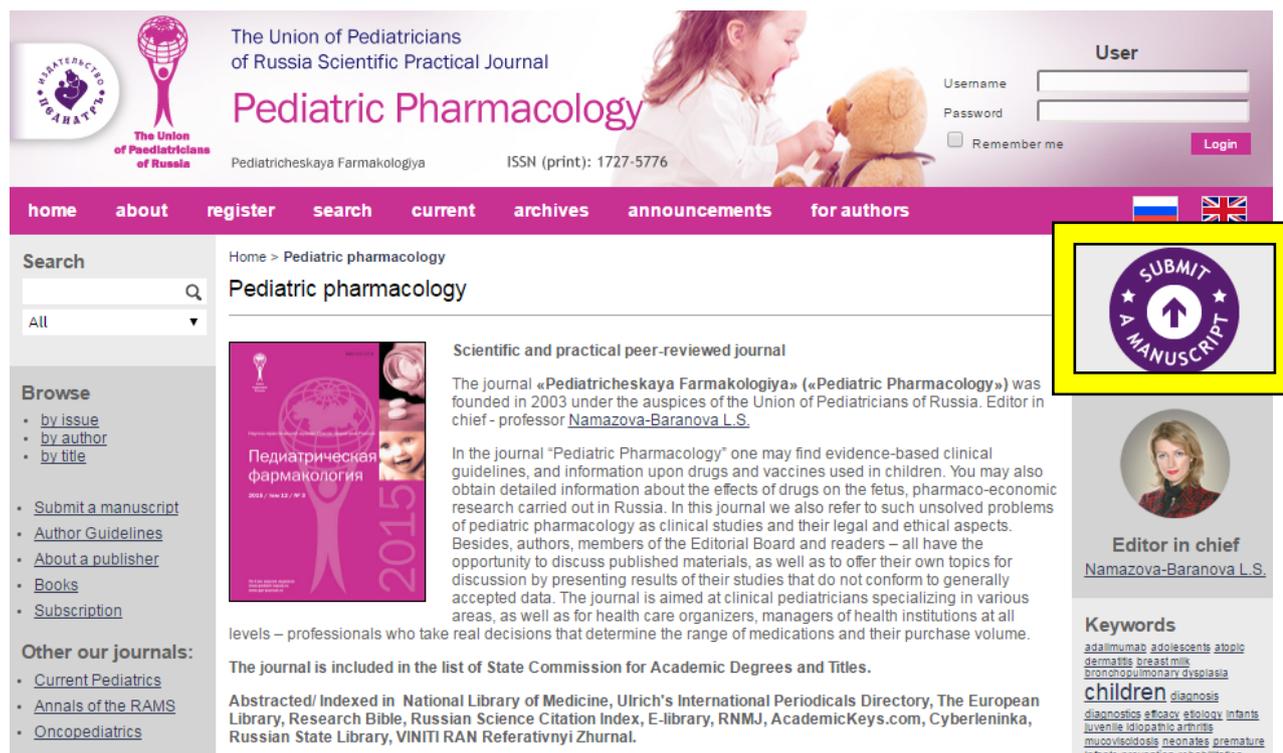

Scientific and practical peer-reviewed journal
The journal «Pediatricheskaya Farmakologiya» («Pediatric Pharmacology») was founded in 2003 under the auspices of the Union of Pediatricians of Russia. Editor in chief - professor [Namazova-Baranova L.S.](#)
In the journal "Pediatric Pharmacology" one may find evidence-based clinical guidelines, and information upon drugs and vaccines used in children. You may also obtain detailed information about the effects of drugs on the fetus, pharmaco-economic research carried out in Russia. In this journal we also refer to such unsolved problems of pediatric pharmacology as clinical studies and their legal and ethical aspects. Besides, authors, members of the Editorial Board and readers – all have the opportunity to discuss published materials, as well as to offer their own topics for discussion by presenting results of their studies that do not conform to generally accepted data. The journal is aimed at clinical pediatricians specializing in various areas, as well as for health care organizers, managers of health institutions at all levels – professionals who take real decisions that determine the range of medications and their purchase volume.
The journal is included in the list of State Commission for Academic Degrees and Titles.
Abstracted/ Indexed in National Library of Medicine, Ulrich's International Periodicals Directory, The European Library, Research Bible, Russian Science Citation Index, E-library, RNMJ, AcademicKeys.com, Cyberleninka, Russian State Library, VINITI RAN Referativnyi Zhurnal.

3) In the field «SECTION» select the **APPROPRIATE SECTION TYPE** for your submission.

The screenshot shows the 'New Submission' page. The 'Section' dropdown menu is highlighted with a yellow border. The page includes a navigation bar with links like 'home', 'about', 'user home', 'search', 'current', 'archives', 'announcements', and 'for authors'. There are also flags for Russian and English. The left sidebar contains search and browse options. The main content area shows 'Step 1. Starting the Submission' with a progress bar and a list of steps: 1. START, 2. UPLOAD SUBMISSION, 3. ENTER METADATA, 4. UPLOAD SUPPLEMENTARY FILES, 5. CONFIRMATION. Below this is the 'Journal Section' dropdown, the 'Submission Language' dropdown (set to English), and the 'Submission Checklist'.

4) **SELECT** the **PRIMARY LANGUAGE** for the full-text article.

The screenshot shows the 'New Submission' page. The 'Submission Language' dropdown menu is highlighted with a yellow border. The page layout is similar to the previous screenshot, but the 'Section' dropdown is not highlighted. The 'Submission Language' dropdown is set to 'English'. The 'Submission Checklist' section is partially visible at the bottom.

5) Please, **CONFIRM THE COMPLIANCE** of your manuscript to the journal requirements.

The screenshot shows a journal submission checklist page. A yellow highlight box surrounds the central content. On the left side, there is a vertical sidebar with logos for 'Oncopediatrics', 'LIBRARY.RU', 'ULRICH'S PERIODICALS DIRECTORY', 'Science Index', 'CYBERLENINKA', 'rnmj.ru', 'Google scholar', and 'INEICON'. On the right side, there is a list of keywords: 'diagnostics efficacy etiology infants juvenile idiopathic arthritis mucoviscidosis neonates premature infants prevention rehabilitation safety treatment vaccinal prevention vaccination'. Below the keywords are logos for 'Atom VALID', 'Google play', and 'Available on the App Store'. The central yellow box contains the following text:

Submission Checklist

Indicate that this submission is ready to be considered by this journal by checking off the following (comments to the editor can be added below).

- The manuscripts are accepted if has not been published or submitted for publication elsewhere.
- The materials should be prepared in a format OpenOffice, Microsoft Word, RTF, or World Perfect.
- Internet links are provided as a complete URL.
- Text should be typed with an interval of one line spacing, font Times New Roman, 12 pt; to highlight the accents it is recommended to use italics rather than underlining (except Internet links). All images, graphics and tables are placed within the text according to the meaning of the particular part of text (and not at the end of the document).
- Text should follow the stylistic and bibliography requirements as stated in Regulations located in the Part "About Us."
- Please, remove the authors' names from the title of the article and other parts of the document to ensure the anonymity of reviewing.

6) **CONFIRM ASSIGNMENT OF COPYRIGHT** in accordance with the mentioned terms.

The screenshot shows a journal copyright notice and privacy statement page. A yellow highlight box surrounds the central content. On the left side, there is a vertical sidebar with logos for 'NLM Catalog', 'РГБ', 'The European Library', 'WorldCat', 'LocatorPlus', 'Open Archives', 'Research Bible', and 'AcademicKeys'. The central yellow box contains the following text:

Copyright Notice

Authors who publish with this journal agree to the following terms:

1. Authors retain copyright and grant the journal right of first publication with the work simultaneously licensed under a [Creative Commons Attribution License](#) that allows others to share the work with an acknowledgement of the work's authorship and initial publication in this journal.
2. Authors are able to enter into separate, additional contractual arrangements for the non-exclusive distribution of the journal's published version of the work (e.g., post it to an institutional repository or publish it in a book), with an acknowledgement of its initial publication in this journal.
3. Authors are permitted and encouraged to post their work online (e.g., in institutional repositories or on their website) prior to and during the submission process, as it can lead to productive exchanges, as well as earlier and greater citation of published work (See [The Effect of Open Access](#)).

Journal's Privacy Statement

Specified when registering the names and addresses will be used solely for technical purposes of a contact with the Author or reviewers (editors) when preparing the article for publication. Private data will not be shared with other individuals and organizations.

7) **NOTIFY THE EDITOR** of all the details requiring attention:

- some part of a manuscript doesn't meet the journal requirements (justify this discrepancy);
- a part or the full-text of the paper was submitted to another journal previously (but wasn't published and is not reviewed at the moment!);
- author has some additional material to the manuscript which can be published online etc.

Journal's Privacy Statement

Specified when registering the names and addresses will be used solely for technical purposes of a contact with the Author or reviewers (editors) when preparing the article for publication. Private data will not be shared with other individuals and organizations.

Step 2. Uploading the Submission

1. START 2. **UPLOAD SUBMISSION** 3. ENTER METADATA 4. UPLOAD SUPPLEMENTARY FILES 5. CONFIRMATION

To upload a manuscript to this journal, complete the following steps.

1. On this page, click Browse (or Choose File) which opens a Choose File window for locating the file on the hard drive of your computer.
2. Locate the file you wish to submit and highlight it.
3. Click Open on the Choose File window, which places the name of the file on this page.
4. Click Upload on this page, which uploads the file from the computer to the journal's web site and renames it following the journal's conventions.
5. Once the submission is uploaded, click Save and Continue at the bottom of this page.

Keywords
adallimumab adolescents atopic dermatitis breast milk bronchopulmonary dysplasia **children** diagnosis diagnostics efficacy etiology infants juvenile idiopathic arthritis mucopolysaccharidosis neonates premature infants prevention rehabilitation safety treatment vaccination prevention vaccination

9) Proceed to the third step and **FILLED IN THE METADATA**. You should fill in all the fields (possible) with as much detail as possible. This information will be used when indexing an article in Russian and international databases.

It is obligatory to indicate all the authors. Put the names in the correct sequence – the order names will be published in the article.

10) To populate the metadata in another language, you need to go back to the beginning of the form, select the language you want in the field "Form Language" (when you switch the already filled data is stored) and fill in the form. After that action, the form is ready to save.

The screenshot shows the 'Step 3. Entering the Submission's Metadata' page. The 'Form Language' dropdown menu is highlighted with a yellow box and set to 'English'. The 'Authors' section contains the following information:

- First Name: John
- Middle Name: R
- Last Name: Smith
- Email: xxxxxxxxx@gmail.com
- URL: (empty)
- Affiliation: Simon Fraser University
- Country: Romania
- Bio Statement: (empty)

Other visible elements include a search bar, navigation menu, and a sidebar with journal links and logos like 'LIBRARY.RU' and 'Science Index'.

11) Proceed to the next step and **UPLOAD SUPPLEMENTARY FILES** (enclosures, high-resolution images, additional content).

The screenshot shows the 'Step 4. Uploading Supplementary Files' page. The progress bar indicates the current step is '4. UPLOAD SUPPLEMENTARY FILES'. The page contains a table for listing files, which is currently empty with the message: "No supplementary files have been added to this submission." Below the table, there is a file upload interface with a button labeled "Выберите файл" (Choose file) and an "Upload" button. At the bottom, there are "Save and continue" and "Cancel" buttons, and the ISSN number "ISSN: 1727-5776 (Print)".

12) On the next step **CHECK the LIST of the DOCUMENTS** you send to the editor and finish the submission.
